LoganbillRichard Blizzard is simply the best when it comes to authoring wooden vehicle toy plans. He is very innovative in mechanisms and building techniques. The books is beautifully illustrated, the instructions are detailed and clear. As with all of his books, sourcing the purchased items such as wheels may be a problem.0 of 0 people found the following review helpful. Five StarsBy robert whitehousegood book0 of 0 people found the following review helpful. Five StarsBy Jon K.My other Blizzard book I enjoy his drawings and builds.

This book features a list of different wooden toys you can make from home. With diagrams, instructions and supply lists done up for you.
