By StacyVee Nice quality paper and the colors are beautiful. Probably not the best pick if you want a calendar grid to write a lot of things on, but I was after something pretty and so I'm very happy with it! 0 of 0 people found the following review helpful. Five Stars By KEH Beautiful colors, high quality paper. A joy to look at each day.

Feast your eyes on a year of gorgeous flower arrangements from Icanoe2, the Missouri-based letterpress company whose simple but modern aesthetic has made its stationery products so distinctive and popular. Each of these seasonal floral paintings seems to pop from the page with its vibrant colors and bold lines. Roses in an array of hues for June. Cheerful coneflowers for November. For December, toyons with their green leaves and bright red berries. For flower lovers and gardeners, its the gift of a beautiful bouquet, every month.
