Harry Tomlinson : Bonsai (101 Essential Tips) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bonsai (101 Essential Tips):

1 of 1 people found the following review helpful. It's worth the priceBy DonnaI have checked out Harry Tomlinson's other book from the library. The bigger book goes into more detail than this one; but, this one is still a nice little basic bonsai book. If you are looking for a bonsai how-to book, you may want to look at the bigger book; although, it's not a how-to book as it is a reference book.0 of 0 people found the following review helpful. Five StarsBy Bill F

VillanuevaGreat for the starter. Will get you on your way to more advanced Bonsai.0 of 0 people found the following review helpful. What a great informative little bookBy FreshSharkEggsHoly crap! This book is TINY. Like 20 pages or so but it is PACKED with information.

Everything you need to know about bonsai care, maintenance, design, and arrangement. With clear explanations of bonsai and what it is, these 101 easy-to-grasp tips have everything you need to get the results you want. Build knowledge and confidence with this must-have pocket guide, filled with the essentials you're looking for including pointers and advice on cultivating bonsai plants. Create a sense of balance and serenity in your home with these beautiful miniature trees and bring the ancient practice into the 21st century. Using a step-by-step approach, 101 Essential Tips: Bonsai explains design and style principles, which containers to use, how to cultivate a bonsai plant and more. Learn about the different suitable species, from Japanese red maple to Scots pine, find out how to prune, reshape with wiring, implement Saikei and rock planting, and develop a watering routine to keep your living art healthy. Whether you want to build on your basic skills or become an expert, 101 Essential Tips: Bonsai is right for you. This pocket guide is chock-full of information to guide you, inspire you, and give you the knowledge and confidence you're looking for.

"This is a great book for someone who is new to bonsai or needs to be exposed to the art." of Bonsai Magazine
