Jack McDowell : Bonsai : culture and care of miniature trees before purchasing it in order to gage whether or not it would be worth my time, and all praised Bonsai : culture and care of miniature trees:

0 of 1 people found the following review helpful. Three StarsBy Laura E. Piercea fleeting hobby0 of 0 people found the following review helpful. Never goes out-of-date!By Rusty HillsI've kept bonsai for many, many years. This was my first book and I just bought it again, it's that good. Solid basics. A really good place to start.

Sunset book as seen, in good condition. We ship worldwide from San Francisco bay area.
