I find it a real joy and a valuable volume for anyone who really is into saikai.It should have ALL the answers for design and cultivation. I now have 2 in my collection and highly prize them like I do my first edition, signed, slipcased Bonsai Techiniques I II and My Halford and Yoshimura signed first edition hardbound.If it ever comes up again, as this was limited to only 500 copies, you should buy it!!!!!!!!!!!!!!!!!!!!!!Steve E, Yorba linda, California
