**Fletcher Battershall : Book Binding For Bibliophiles - Being Notes On Some Technical Features Of The Well Bound Book For The Aid Of Connoisseurs - Together With A Sketch Of Gold Tooling Ancient And Modern**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Book Binding For Bibliophiles - Being Notes On Some Technical Features Of The Well Bound Book For The Aid Of Connoisseurs - Together With A Sketch Of Gold Tooling Ancient And Modern:

This book was originally published in 1905. It will appeal to the collector and lover of books and those with an interest in the history of the craft. Many of the earliest books, particularly those dating back to 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original artwork and text.
