Penny Black : Book of Pressed Flowers before purchasing it in order to gauge whether or not it would be worth my time, and all praised Book of Pressed Flowers:

0 of 0 people found the following review helpful. It arrived very quickly and in great condition as a used book By Patty West It arrived very quickly and in great condition as a used book. It has beautiful pressed art pictures and directions for pressing flowers. It is a great book for people who love to press flowers or have a book of beautiful pressed art. I am very pleased with my purchase. 0 of 0 people found the following review helpful. Five Stars By Tamra Kriedeman Great book with how-to's and projects. 0 of 0 people found the following review helpful. Tried true drying methods By John D. Burke Old, but sure to work techniques for pressing/drying plant material. For microwave, there's always the internet. Great price.

Black provides all the information that readers need for pressing all kinds of flowers and foliage. Filled with stunning color photos that instruct readers and display completed projects.
