**Michael Jacobs : Books Unbound** before purchasing it in order to gage whether or not it would be worth my time, and all praised Books Unbound:

0 of 0 people found the following review helpful. excitingBy Manya M. MeadorI'm looking forward to trying some of these books out. This is well illustrated and I'm looking forward to using this book.0 of 1 people found the following review helpful. The books are great; the materials he chooses are uglyBy Janice BryantMichael Jacobs is one of the kings of paper craft but he is very hung up on recycling paper and it tends to make a lot of his work look trashier than it really is. I wish he'd saved the ugly paper for his gallery and used plain, new paper in these instructions because it totally distracts from the finished work.Passed this book along to someone else who would appreciate it.7 of 12 people found the following review helpful. A disappointment for an amateurBy #HappybabaI bought this book thinking that my granddaughter(7) and I could use it to guide us in making books, but the designs were elaborate and artsy. I sold it on e-bay shortly after I received it.

Create handmade books like you've never seen before! Go ahead, break the boundaries of bookmaking - it's fun and easy with *Books Unbound*. Using simple bookmaking techniques, you can turn an ordinary book into a handmade sculptural masterpiece. Book artist Michael Jacobs takes you step-by-step through twenty innovative projects, including travel journals, modular books, wired books, and books within boxes. Inside you'll also find: Project templates that make book construction a snap Expert advice and valuable tips on bookmaking tools, materials and techniques Imaginative variations to give each project a unique twist The pages of Michael Jacob's book constructions are filled with excitement. Featuring inserts, flaps, pockets and secret compartments, the books invite viewers to explore and experience the surprises hidden within. And now, with *Books Unbound*, you can create your own new and unexpected book creations!

**About the Author** Michael Jacobs is a designer and teacher who has worked as an artist/craftsman for more than thirty years. His mixed-media sculptures and book works have been exhibited in galleries throughout the US since 1973 and have appeared in many books and periodicals. Michael has taught papercraft and book arts workshops throughout the US and Canada.
