This instruction manual covers books that have thick spines: they have girth. Included are sewn books like coptic, longstitch and Secret Belgian Binding and many unsewn books like piano hinge, interlocking signatures, and the Spectabular book. The instructions are detailed and accompanied by clear diagrams, suggestions for variations and photos of the projects. Included is a full section on stitches, knots and handmade cording and a section on simple cases. Cheryl Moote's instructional manuals are noted for their clear, well tested, well illustrated, instructions. It's a quality quick print procution that is mostly black white with a few pages of color copies to illustrated finished examples. 8-1/2" x 11".
