**Lynn Waters Busa : Bordering on Basketliners, 36 designs for counted cross stitch Book 12** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bordering on Basketliners, 36 designs for counted cross stitch Book 12:

Looks like new but has a bit of shelf wear. Inside clean crisp and overall tidy. Lovely graphs from rocking horse, flowers, indian corm fruit, Teddy, Fresh Bread, HAre not a rabbit, watermelon, christmas goose plus more. I ship the next day.
