**Justine M Crane : Botanical Soapmaking Using Perfumery Techniques** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Botanical Soapmaking Using Perfumery Techniques:

0 of 1 people found the following review helpful. Botanical Soapmaking Using Perfumery Techniques By Laurie Yoder I found this book very informative, and is the only book that I have found that explained how to calculate perfume formulas for soap making. I would highly recommend it. Even though it is thin, it is well worth the price.

Scent botanical soap utilizing classic perfumery techniques.
