Boy Scouts of America : Boy Scouts Handbook: The First Edition, 1911 (Dover Books on Americana) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Boy Scouts Handbook: The First Edition, 1911 (Dover Books on Americana):

0 of 0 people found the following review helpful. great legacy book By rm wasn't aware that there is an original

scouting manual. will have to look for it as well but this book is fabulous shows the great years of scouting and how things used to operate in the world. great times in the usa all the way to the trail to eagle scouting book. Miss those days on to Trail Life will use the lessons learned from this book and trail to eagle in future endeavors on the Trail Life0 of 0 people found the following review helpful. Its amazing how different the handbook is today compared to the ...By Robert RyanIts amazing how different the handbook is today compared to the older ones. This one is loaded with great, useful information. The newest one is essentially useless.1 of 1 people found the following review helpful. Four StarsBy Meema PopoUnique gift for a boy scout. As expected ... Thank You

"'Scout' used to mean the one on watch for the rest. We have widened the word a little. We have made it fit the town as well as the wilderness and suited it to peace time instead of war. We have made the scout an expert in Life-craft as well as Wood-craft, for he is trained in the things of the heart as well as head and hand. Scouting we have made to cover riding, swimming, tramping, trailing, photography, first aid, camping, handicraft, loyalty, obedience, courtesy, thrift, courage, and kindness. Do these things appeal to you? Then, whether you be farm boy or shoe clerk, newsboy or millionaire's son, your place is in our ranks, for these are the thoughts in scouting; it will help you to do better work with your pigs, your shoes, your papers, or your dollars; it will give you new pleasures in life; it will teach you so much of the outdoor world that you wish to know; and this Handbook, the work of many men, each a leader in his field, is their best effort to show you the way. This is, indeed, the book that I so longed for, in those far-off days when I wandered, heart hungry in the woods."-Ernest Thompson Seton, Chief Scout The Handbook for Boys is filled page after page with age-old wisdom and practical advice ranging in topic from tent-pitching to wood crafting, camping to sailing, forestry to civic responsibility, and even etiquette. The lessons in this book, accompanied by over 200 figures and illustrations have been read and absorbed by innumerable world leaders, naturalists, scientists, and national icons for generations and they are as valuable today as they were a century ago. Back in print for a new generation, this edition features an original foreword by long-time Boy Scout troop leader and BSA handbook historian, Jeff Snowden. Ideal for nature lovers, collectors, nostalgia-seekers of all stripes, and this valuable piece of American history is sure to delight, entertain, and edify.

About the AuthorFrom the preface: The Boy Scouts of America is a corporation formed by a group of men who are anxious that the boys of America should come under the influence of this movement and be built up in all that goes to make character and good citizenship. In order that the work of the boy scouts throughout America may be uniform and intelligent, the National Council has prepared its "Official Handbook," the purpose of which is to furnish to the patrols of the boy scouts advice in practical methods, as well as inspiring information."
