Robin Whiteman, Rob Talbot : Brother Cadfael's Herb Garden: An Illustrated Companion to Medieval Plants and Their Uses before purchasing it in order to gage whether or not it would be worth my time, and all praised Brother Cadfael's Herb Garden: An Illustrated Companion to Medieval Plants and Their Uses:

2 of 2 people found the following review helpful. Beautiful BookBy lizzziPublished in 1997, this is a beautifully illustrated book that any reader of Cadfael's mysteries will enjoy thumbing through. It is dedicated to Edith Pargeter (Ellis Peters), who died in 1995. As others have said, it would have been nice to have included some diagrams of medieval herb gardens, but that is a minor quibble. It is a soothing, informative book, with lovely photographs and with quotes from the mysteries interspersed here and there. Sadly, the medieval heritage center "The Shrewsbury Quest" described at the end of the book as being opposite the Abbey of St. Peter and St. Paul is no longer in existence.0 of 0 people found the following review helpful. Informative!By CustomerVery interesting. A good addition to the collection of other Cadfael books.0 of 0 people found the following review helpful. Living historyBy Mike546Great treasury of historical and applied knowledge. Beautifully done.

Brother Cadfael is the world's best-known 12th century monk, a renowned herbalist and a clever sleuth. This succinct history of herbal remedies and monastic herb gardens such as Cadfael's, features a complete A-to-Z guide to the medical uses for every herb and plant mentioned in Ellis Peters' books.
