M. D. Thornburgh : Building a Model Passenger Train before purchasing it in order to gage whether or not it would be worth my time, and all praised Building a Model Passenger Train:

Detailed guide to building a complete model passenger train with an Atlantic type locomotive, tender, combination passenger car and baggage car, baggage car, and day coach. The book is based on a series of successful articles that Thornburgh, a noted modeler, did for The Model Railroader. Although written for the O gauge builder, the directions can easily be used for HO and OO gauge. Illustrated with numerous drawings and photos. 56 pages. Scarce.
