David Bickley : Bull Run to Gettysburg: American Civil War Rules and Campaigns before purchasing it in order to gage whether or not it would be worth my time, and all praised Bull Run to Gettysburg: American Civil War Rules and Campaigns:

0 of 0 people found the following review helpful. Five Stars By Feldmar Twomblebee This set of rules brings a few novel approaches to Civil War miniature gaming. 1 of 6 people found the following review helpful. Great set of wargaming rules By Jim Very nicely done and if not a gamer very nice to thumb through with lots of great photos to admire.

If you are interested in painting, collecting or gaming with model soldiers, or interested in the American Civil War in any way then this book is for you. As well as many articles that set the scene and atmosphere of the period, this book contains painting guides, rules and campaigns that are informative and great fun to play. This full color book, lavishly illustrated with stunning photography of lots of magnificently painted miniatures is all you need to recreate the battles and tactics of the American Civil War.
