Dover : Butterfly Arts Crafts Fun Kit before purchasing it in order to gage whether or not it would be worth my time, and all praised Butterfly Arts Crafts Fun Kit:

4 of 4 people found the following review helpful. Keep kids or adults way busy having fun By M. Pelland Butterfly Arts and Crafts Fun Kit, clip art, stickers, coloring, stencils and more. Spring, summer, fall or winter these butterflies, in my estimation, will sparkle up a gloomy day or a bluesy mood. And if you're feeling fine and the sun is out, an hour with this set will fit like a glove. I found a CD-Rom in the box that I wasn't expecting. It's packed with almost 400 color butterfly illustrations. This set is sort of a composite of typical Dover craft books. They have, for ages, offered stained glass coloring books on many topics. There's one in here. Stickers abound. I enjoyed the glitter stickers because the colors are bright and true and the glitter doesn't fall all over. I have no criticism of this box of creative playthings. Don't give it to a little child - stick with about age 8 and up. The projects require patience and thought. If you need a gift for a senior friend or relative - I highly recommend this one. I found it soothing and relaxing - took me back to times when crayons and construction papers were all the rage

Make your projects soar with this value-packed crafts collection! The kit contains Butterflies and Flowers to Paint or Color; 4 stained glass coloring sheets; over 100 stickers including many that glitter; 6 sturdy, precut stencils; an 11 x 16 1/2 Color Your Own poster; Full-Color Decorative Butterfly Illustrations CD-ROM and Book with 388 beautiful images for arts crafts projects; and crayons.
