Amy Barickman : Button Ware before purchasing it in order to gage whether or not it would be worth my time, and all praised Button Ware:

2 of 2 people found the following review helpful. This is a beautiful book that has a lot of wonderful ideas for ...By Meggie This is a beautiful book that has a lot of wonderful ideas for making pretty things from buttons. It also has great photography too. However, I believe the author writes to those with jewelry making sewing skills. I think readers would have appreciated having resources to other supplies besides the buttons. 2 of 2 people found the following review helpful. Button craft ideas! By Cheryl Cosart I saw this book at a craft show and some of the projects made up from this book. Great ideas to use up left over buttons. 1 of 1 people found the following review helpful. Not just Buttons....Button Art By Wild Nelly So much fun! Amy does such a great job stacking and matching her antique buttons. Some of them look delicious enough to eat.

Gathered together, in the pages of Button Ware, are some of the trendiest and best-looking projects available to today's crafty, fashion-conscious designers. Amy Barickman, owner of Indygo Junction and The Vintage Workshop, and self-confessed button addict, couldn't resist combining her vintage button collection with the colorful and fashionable buttons offered by world importer JHB International the leader in original and stylish buttons. In this 80 page colorful collection, filled with 90 gorgeous photos and 33 inspiring projects (with numerous variations), they combined the strengths of their companies to create this colorful collection filled with inspiring projects from leading designers. It will teach beginners simple techniques for turning both new and vintage buttons into fashion statements, some so simple that you won't believe you made it. For those who are more experienced crafters, these ideas will inspire them to new heights of creativity. With easy-to-follow illustrations and detailed photography, crafters will learn how to expand their accessories at a fraction of the cost of original designer pieces and enjoy creating jewelry, embellishments, and fashionable, wearable designs at the same time.
