CUT FLOWERS is an A-Z guide to the most popular flowers used in flower arranging. It covers over 130 flowers showing their botanical and common name plus form, color, length of stem and the seasons each one is available. Included are tips on buying quality flowers along with special features such as whether the flower is fragrant or poisonous. In addition to the flowers there are over 100 types of foliage commonly used in arrangements.

About the Author Judith Blacklock is the author of 13 bestselling books and editor of *The Flower Arranger* magazine. The Judith Blacklock Flower School can be found in a flower-filled mews in the heart of Knightsbridge, London, UK. Established for 15 years, it is widely acclaimed as the UK's foremost flower school. Judith is renowned worldwide for her ability to pass over her knowledge to both the amateur and the professional flower designer. The highly regarded courses are accredited by the British Accreditation Council (BAC) and the American Institute of Floral Designers (AIFD). In 2011, Judith organized *Flowers@Chicheley Hall*, the largest contemporary cut-flower event that has ever been staged in the UK and in 2014 *Flowers@Oxford* to great acclaim. She regularly appears on television and demonstrates at leading global floral events, including the Chelsea Flower Show. Judith has traveled and taught in Dubai, Turkey, USA, Canada, Japan and Kuwait.
