The book has very good information and the pictures are greatBy MissiThe book has very good information and the pictures are great. The only problem is that I was led to believe it was a different book than the 2014 published book by the same author.1 of 1 people found the following review helpful. Read this FYIBy etfThese are varieties for the UK, not marketed in the U.S.Would have been good to

know beforehand.

Camellias are among the most beautiful flowering shrubs, and this handbook contains all you need to know in a handy guide.

About the Author Andrew Mikolajski edited the RHS Encyclopedia of Plants and Flowers and the RHS Encyclopedia of Gardening (both Dorling Kindersley), and he has contributed articles to every major gardening magazine and specialist journal.
