Crafters can delve into the world of mixed-media art using traditional paper-craft techniques partnered with new and interesting products with the help of this book. It features 26 new and unique projects that use 23 different techniques demonstrated with an easy-to-follow photo tutorial, and the designs utilize easy-to-purchase products from a variety of manufacturers. Incorporating these general paper-craft and mixed-media tools, readers will learn mark making,

collage, embossing, and how to add color, faux finishes, and backgrounds, then apply them to captivating projects.
