Cardboard has never been so much fun--just look what you can make with it! So before you bin that box, take a look at

the clever ideas in this exciting new book of cardboard animal projects. Light yet durable, cardboard is ideal to create on-trend animal-themed ornaments and decorative furniture that will delight both children and adults alike. Projects include mouse and tortoise storage boxes, a wolf pencil case, an elephant plant pot, even a Noah's Ark clock, an owl lampshade, a zoo chess set, cat storage drawers, a penguin side table, a lion doll's bed and more! All of the cardboard craft techniques are explained, with easy-to-follow step-by-step instructions and templates.
