Kelsy Hamilton : Cardboard Quilting and Scrapbooking before purchasing it in order to gage whether or not it would be worth my time, and all praised Cardboard Quilting and Scrapbooking:

This mixed media craft method combines quilting fabric and scrapbooking tools, materials, and techniques. It is a quick, no-sew and economical method of creating fabric crafts. The author is a lifelong crafter, a Certified Scrapbook

Instructor, and an award winning scrapbook artist. She has used this method within the classroom as a teacher in the public schools and as a volunteer at an assisted living facility.
