: **Caring For Your Miniature Donkey Donkey Foaling Manual** before purchasing it in order to gage whether or not it would be worth my time, and all praised Caring For Your Miniature Donkey Donkey Foaling Manual:

1 of 1 people found the following review helpful. Great books written for anyone to read and understandBy GaladilThese books are straight forward, easy to read and full of info. We are starting a miniature donkey farm in Smiths Grove, KY and they have been a huge help. My parents were both farmers growing up and when I was young, but I knew next to nothing about caring for a donkey. I have learned so much from these books it is amazing. I would also recommend the 1st edition of Caring For Your Miniature Donkey, the 2nd is very similar, but both are good to read and have as a guide.0 of 0 people found the following review helpful. One StarBy Kindle CustomerInsanely and outrageously OVER PRICED! SHAME ON YOU!
