Eve Leder : Casual Bead Elegance, Stitch by Stitch before purchasing it in order to gage whether or not it would be worth my time, and all praised Casual Bead Elegance, Stitch by Stitch:

2 of 2 people found the following review helpful. The author provides that learning to make bead stitch jewelry ...By ALThe author proves that learning to make bead stitch jewelry doesn't have to be intimidating. She accomplished this by breaking the stitch projects into three categories. The stitch introduction is the simplest application of the stitch. The second project expands upon what you learned in the first. The third project is where you'll apply what you've learned. The book features 24 projects that are wearable and casually elegant. The stitches included are: ladder, right-angle weave, cubic right-angle weave, herringbone, square stitch, circular brick stitch, and peyote stitch. Although this book is geared towards the beginner, the more advanced beader will appreciate the sophisticated designs.1 of 1 people found the following review helpful. Five StarsBy bonniegreat Book0 of 0 people found the following review helpful. Five StarsBy Satisfied customerBeautiful pieces, great ideas for creating bead stitched jewelry!

Casual Bead Elegance, Stitch by Stitch features 24 projects in timeless bead stitches, starting with simple applications and expanding each stitch with more elaborate pieces. Though the focus is on learning and applying specific techniques, the resulting projects are wearable and casually elegant, using beads in any beader's collection (seed beads, crystals, pearls, gemstones, and shaped beads). Whether the goal is to learn and perfect a stitch or merely to follow the instructions for weaving lovely projects, you will find plenty of earrings, rings, bracelets, and necklaces to make and wear in this collection. Stitches include ladder, right-angle weave, cubic right-angle weave, herringbone, square stitch, circular brick stitch, and peyote stitch.

About the Author Eve Leder's artistic expression can take many forms: beading, crocheting, decorative painting, decoupage, jewelry making, knitting, paper crafts, polymer clay, and sewing.
