Elaine Moertl : Catnip Picking For Fun Profit before purchasing it in order to gage whether or not it would be worth my time, and all praised Catnip Picking For Fun Profit:

A how-to book on city and urban wild crafting of CATNIP! Whether you're harvesting along back alleys and bike

trails in your local city, or are out in the country searching field edgings and roadways for wild growing catnip, this book walks you through every step needed to find, harvest and sell what you've picked. Easy to read, this book breaks down each step of the process, with detailed hints and tips. Sections also touch on marketing and presentation of your finished product. The author draws on experience gained during two decades of harvesting catnip in the wild to walk you through this exciting craft hobby.
