**Angela Wainwright : Celtic Cross Stitch Samplers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Celtic Cross Stitch Samplers:

0 of 0 people found the following review helpful. So many fun patterns.By Kindle CustomerSo many fun patterns... I can't wait to start... and I am looking forward to combining some designs, as well as changing colors to try new things. Also, there are a wide variety, so I can do small and large projects.0 of 0 people found the following review helpful. Five StarsBy Customervery pretty!0 of 0 people found the following review helpful. great book!By Sharon G. VoughtFast shipping, great book!

Drawing on source material from stone carving, Celtic jewellery, inscriptions and illuminated manuscripts, this collection contains more than 30 projects for cross stitch enthusiasts. Each is shown alongside the original Celtic design, and all are accompanied by full-colour charts and clear working instructions. Different types of sampler - for example, a Celtic motto and a band sampler - are featured in the designs, as well as a variety of smaller-scale, quickly-stitched pieces such as bookmarks and pincushions. Angela Wainwright has also written "Counted Cross Stitch", (1991).
