These pages are the characters that have appeared in the Celtic Knights stories. There are also a few that will appear as we continue to expand the universe. Celtic Knights was created to bring back and hold onto the silver age of comic goodness. Books that all ages can read and enjoy, giving readers and creators the feeling of the comics that brought most of us into this world. Mike Kennedy, co-creator of Celtic Knights, works tirelessly to bring the stories to life in a way that celebrates his talents and the talents of those that have inspired us all. His devotion to the characters and universe that we are creating is beyond imagination and we all should be thankful for his belief and talent. It's

important that we share his beautiful art and support the continuation of this effort. Gar [Www.Dublinwriter.Com](http://Www.Dublinwriter.Com)
