Rebeca Mojica : Chained: Create Gorgeous Chain Mail Jewelry One Ring at a Time before purchasing it in order to gage whether or not it would be worth my time, and all praised Chained: Create Gorgeous Chain Mail Jewelry One Ring at a Time:

2 of 2 people found the following review helpful. More than expectedBy K. ForbesFirst of all the pictures are gorgeous! The weaves are introduced by categories. She teaches technique right away so as not to develop bad habits before you even know what you are doing. BUT best of all she shows how to fix your mistakes (I should say MY mistakes in opening and closing jump rings).Her patterns are written for the inexpensive (albeit beautiful) Anodized Aluminum jump rings with Sterling Silver and Gold sizes in Italics. I find this so appealing.! The designers in the beading magazines, with a few exceptions, can't seem to design anything that doesn't require hundreds of crystals and a zillion sizes and colors of beads.I am VERY new to this craft, but with this book; I am confident I will be able to learn it. I couldn't be more pleased.4 of 4 people found the following review helpful. Want to learn Chain Mail-Buy

THIS book! By Sally J. Sapp I had seen chain mail jewelry at an arts show and really like it. Not your run of the mill jewelry. I have an art degree so I figured I could learn to do it myself. I only bought one book to start off with and this was it. I can't say enough about the book. The illustrations are wonderful and within no time I was able to make one of the most difficult bracelets in the book with no real problem. The reason? The photos in the book! They are clear, large enough and close up enough to see everything very well. I am a visual learner and if I have to rely mostly on written instructions I have fits. Don't worry about that with this book. While the written directions are good the photos pull it all together for a very easy and fun learning experience. So many great projects in the book and variations on so many of them. You absolutely can't go wrong with this book. 2 of 2 people found the following review helpful.

Fantastic Designs and Instructions! By Kathleen V Chained: Create Gorgeous Chain Mail Jewelry One Ring at a Time This book has beautiful color photos, and the directions are clear, the designs are gorgeous! There are easy up to advanced designs, some easy earrings, actually it's all just opening closing jumprings and following directions, with practice, some of the advanced designs can be learned quickly. There are also listings on where to get supplies. Very happy with this! Classic Chain Mail Jewelry: A treasury of weaves Creative Chain Mail Jewelry Chain Mail Jewelry: Contemporary Designs from Classic Techniques (Lark Jewelry) Beaded Chain Mail Jewelry: Timeless Techniques with a Twist (Lark Jewelry Books) Chain and Bead Jewelry Geometric Connections: A New Angle on Creating Dimensional Earrings, Bracelets, and Necklaces Link It!: Colorful Chain Mail Jewelry with Rubber O-Rings (Lark Jewelry Books) Links: Inspired Bead and Wire Jewelry Creations How to Make Chain Mail Chain and Bead Jewelry Creative Connections: New Techniques for Wire-Wrapping and Bead-Setting

Unchain your creativity! Whether you are new to chain mail or a seasoned weaver, Chained will introduce you to the art of combining metal jump rings into intricate designs, in a new way. No other book shows how to use so many weaves in so many ways, or gives this ancient art such a beautiful and modern twist. Techniques once used for armor now have a new life and can be used to create elegant adornments. Open Chained and find: Clear, detailed step-by-step photos that will take you from opening and closing jump rings to finishing your first (or fiftieth!) project Easy-to-navigate "Weave in a Nutshell" options for many weaves that will show advanced chain mail weavers the weave of a project in just a few steps 22 beautiful projects plus dozens of variations, including earrings, bracelets, necklaces and pendants, each with its own skill level and time investment rating Endless options: choose your favorite colors, your favorite metals, customize the size of your project, and find inspiration to add your own unique stamp to any piece of chain mail jewelry Gather your pliers and piles of jump rings and weave your way to beautiful jewelry with Chained.

About the Author Rebeca Mojica is a self-taught artist who has mastered 70 distinct chain mail weaves and more than 100 variations. In 2003, she founded Blue Buddha Boutique to showcase her finished jewelry and provide kits and supplies to enthusiasts of this resurging craft. Mojica is the pre-eminent chain mail instructor in the Midwest. Her instructional projects have been published in books and magazines and her work has also appeared in The Chicago Tribune and The New York Times.
