**Tom Tierney : Chanel Fashion Review Paper Dolls (Dover Paper Dolls)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chanel Fashion Review Paper Dolls (Dover Paper Dolls):

0 of 0 people found the following review helpful. Fun, Large Fashion Book! Used for Party Props/Decorations!By ShaksMacI love these books! Love that there are so many representing the different major designers and fashion eras! Bought this Chanel one along with Yves Saint Laurent and Dior. They are so cute! Got them as props/party decorations for my mom's fashion-themed birthday in 2013. Stood them upright on the tables. These are mo small books! They are about the size of a magazine! which is cool. They look smaller online. Sadly, I didn't get to look inside the books too much which I really wanted to do to check out the fashion or the paper dolls. They were also a gift for my mom since she is a designer but she stored them away and now I don't know where they are to look at

them. Still, she really liked them! Will have to check out the actual paper dolls another time.1 of 1 people found the following review helpful. Fun, great presentationBy Lex R.A fun, well laid-out and nicely put together book, enjoyable for Chanel fans whether you cut out the dolls or just keep this book for flicking through,2 of 2 people found the following review helpful. This is like a cocktail table book, for kids.By Carol M. LiegeMy granddaughter doesn't like paper dolls anymore. I bought this, rather, to illustrate the fashions of Coco Chanel when I made her a Chanel-style suit (Butterick 5844) for her birthday. The illustrations are just gorgeous -- and glamorous, too. I combined this with a children's book about Chanel, *Different Like Coco* (Elizabeth Matthews, from ).

The essential little black dress, the elegant suit with the gold-buttoned jacket, the freedom to wear slacks modern women still draw upon the innovations of Gabrielle "Coco" Chanel. The twentieth-century's fashion doyenne began her long and brilliant career by replacing the traditional corset with the comfort and casual grace of simple but exquisitely tailored outfits. This collection features three dolls and twenty-eight authentic costumes that illustrate Chanel's haute couture history and the enduring appeal and influence of her designs.

About the AuthorOne of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
