Most of the pictures are of Brighton's products, but there are also nice shots of vintage charm jewelry. I bought a used book in excellent condition through an reseller.0 of 0 people found the following review helpful. One StarBy Barbara vitiDon't know how I got this. Vintage and modern examples of charms are interwoven throughout the pages of this exploration of charm jewelry, revealing how they have been worn, collected, interpreted, cherished, and even worshipped. Complete with lavish, full-color photographs, this work includes sentimental stories of charms and jewelry from travel memories and family histories to commemorating important events, holidays, or occasions. This inspired volume includes the personal stories of the creative staff of Brighton Collectibles, relating how their jewelry creations and their own collections correspond. Abounding with creative ideas and practical tips on how to wear and share charms, there are also sidebars of information describing how charms are made and detailing how to throw a charm party. Highlighting charm jewelry from the era of ancient Egypt to today, this accessory continues to be popular, due to the emotional attachment of each delightful little charm.

About the Author The Brighton Company is a leading manufacturer of womens accessories and is the only major accessories line featuring products that coordinate from head to toe. Rooted in the philosophy that the difference is in the details, the designers still sketch each creation by hand and follow the product from concept to fruition. They are located in City of Industry, California.
