Maria Foris : Charted Folk Designs for Cross-Stitch Embroidery: 278 Charts of Ancient Folk Embroideries from the Countries Along the Danube (Dover Needlework) before purchasing it in order to gage whether or not it would be worth my time, and all praised Charted Folk Designs for Cross-Stitch Embroidery: 278 Charts of Ancient Folk Embroideries from the Countries Along the Danube (Dover Needlework):

3 of 3 people found the following review helpful. Heirloom-quality Cross StitchBy Lynne K.Cross stitch embroidery has been underestimated, and this book is for the embroiderer who wants to end up with something truly fine, not just

the ho-hum cookie-cutter stuff that's widely available. I recommend Charles Craft (brand) waste canvas. Applying it to your chosen fabric, you can combine patterns, change scale, use any color combination you wish, and you'll come away with an exquisite piece of work that will amaze others who see it. We're talking heirloom quality here. It's true that these patterns take time to complete, but for me the results have been well worth the investment and are fabulous. I highly recommend this and other books in the series.0 of 0 people found the following review helpful. Well Worth ItBy Diane KidmanFilled with so many patterns. I love perusing them and trying to imagine how I'll use them. Beautiful, intricate, and since they're only in red and black I can keep them that way or easily create different color combinations.0 of 0 people found the following review helpful. Extensive designs wonderfully complex but straight forward.By *Anon*Extensive designs wonderfully complex but straight forward. Great guides. No text needed.
