From Brand: Kalmbach Books : Chic Easy Beading, Volume 2: 70 Fast and Fun Fashion Jewelry Projects before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chic Easy Beading, Volume 2: 70 Fast and Fun Fashion Jewelry Projects:

0 of 0 people found the following review helpful. The instructions were difficult to understand, and I've been designing making jewelry for years. One of the worst books! By Rather be at the Beach The instructions were unclear and difficult to understand (one example would be Steps 3 through 6 for "Hoop Dangles"). On top of that, there were actually projects where there were no pictures at all showing how to do them (see "Chain Reaction" for example). I thought quite a few of the projects were interesting, inspiring and beautiful, but I have been designing and making jewelry for years, and this is one of the worst books I've seen. SAVE YOUR MONEY. 2 of 3 people found the

following review helpful. My New Favorite Book!!!By Stef330I am absolutely delighted with this book! It's full of beautiful designs with clear instruction! This book skips right to the good stuff and doesn't waste the first 20 pages telling you about basics like every single other beading book out there. I'd say it's more of intermediate level, although I am a beginner and am easily able to apply these techniques.The style of the jewelry projects in here is more bold, some are ethnic, and a lot of multi strands(which I love!) but very pretty like the piece on the cover. If you like little simple dainty designs, this isn't for you. But if you like your jewelry to make a statement and are able to look at pictures and adapt these projects into your own style, then you will probably really enjoy this book! I sure do!!!0 of 0 people found the following review helpful. Great Job, Just what IBy Dawn M. KellerI'd Buy it Again! Great Job, Just what I wanted

Compiled by the editors of BeadButton and BeadStyle magazines, Chic Easy Beading, Vol. 2, showcases more than 60 fabulous jewelry projects, including projects from the third Chic Easy special issue. An illustrated basic techniques section includes all the instructions beginners need to get started on these pieces that can be made in a flash with only a few techniques. With the abundance of beads and supplies readily available, Chic Easy makes achieving professional results fast and fun.
