**Inge Schjellerup : Chimu Pottery, Fascicule I (Two Books in Slipcase)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chimu Pottery, Fascicule I (Two Books in Slipcase):

0 of 0 people found the following review helpful. improper descriptionBy Gary E DunhamThe description CLEARLY said TWO books. I received ONE book. Of course the book I wanted ( the one with pictures) was the one that was not mailed to me. Two means TWO. Two does not mean ONE. Angry? No Disappointed? Yes

This is a slipcase with 2 volumes. This catalogue comprises the pottery from the Chimu culture, which has arrived in the Department of Ethnography. The catalogue is a register and is to be regarded as a working tool for scientists and as a source of inspiration to the ceramist of today.
