Ramirez This book is loaded with an abundant amount of information about Chinese ceramics. If you are interested in reading about Chinese ceramics this book is what you are looking for. 5 of 6 people found the following review helpful. A first class product. By Chinabob A book that will give the general, and collector, a very good grounding in the world of Chinese Ceramics. Well worth the expenditure.

Now available in paperback, this sumptuously illustrated book is the definitive guide to the provenance, technique, history and ancient traditions of Chinese ceramics. This book is an indispensable resource for all collectors,

connoisseurs and students of Chinese ceramics, as well as anyone with an interest in Asia's cultural heritage.

About the Author He Li was born in Shanghai Province, China, in 1950. She was trained at the Palace Museum, Beijing, and the Idemitsu Museum, Tokyo, two of the world's major repositories of Chinese ceramics. Since graduating in Art History at the University of Kansas, she has been a Research Associate at the Asian Art Museum of San Francisco.
