David Mitchell : Chinese Origami Box Set : Book Decorative Paper before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chinese Origami Box Set : Book Decorative Paper:

0 of 0 people found the following review helpful. Great selection of papersBy tnoellOur elementary school is studying China this year-the projects in the book are great for our visual art classes..there envelopes and money are great as part of our displays...

Chinese Origami Box Set includes: 80 page instruction book 30 Heaven banknotes 12 money envelopes 30 sheets of decorated paper This is the perfect introduction to the elegant art of Chinese origami. The wide selection of traditional paper folding materials is accompanied by an instruction book written by paper folding expert David Mitchell. Clear instructions and step-by-step diagrams explain how to fold 16 beautiful projects from the materials provided. The featured projects have been selected to appeal to novice and expert paper folders alike, and include traditional favorites such as the Pagoda, the Lotus, and the Tortoise, and contemporary classics such as Verdi's Vase and the Omega Star.
